

Perhaps the only “silver lining” in the tragedy of a catastrophic motor vehicle accident is the presence of the unique financial support offered by the No-Fault Act. Michigan’s No-Fault Automobile Insurance Law has been considered a model for the nation. Outstanding benefits are delivered to motor vehicle accident victims, without regard to fault. However, the promise of No-Fault benefits may be obscured by its complexity OR insurance company roadblocks.

This section of the website is designed as a resource for those encountering the No-Fault system, whether you have been injured in a motor vehicle accident or are an affected family member.
